 Green "X" means I have Phone # or Email Address.

**\* ROH is the Enlisted Combat Aircrew Roll Of Honor**

Green Tour Dates are taken from microfilm copies of official HAL-3 Personnel Diary entries; EDVR'S and ODCR'S obtained from U. S. National Archives and Records.

\*Report data is from Seawolf Database created by Dan Arnes (HAL-3 '70-'72) with special credit to Richard E. King (HAL-3 '71-'72) for sharing his several years of collected data and numerous other Seawolves contacted and willing to share information on themselves and others they've known.

\*\*Please update your information (email dan\_arnes@yahoo.com). If you see an error; or can confirm an "Unconfirmed" Seawolf, please email me with information and source if any, and any Brothers who have passed on with Obituary or as much info possible.

NOTE: Rather than delete a possible Seawolf's record, I have retained some records having no First Name or reference information as "Unconfirmed". They may still be Seawolves, but without someone's confirmation or some reference information, I do not know where the names originated. Dan
